

**The Wild Turkey Legacy Program**

The Legacy Program is designed to help ensure that generations to come can thrill to the wild turkey's gobble, making it the perfect salute to a wild turkey enthusiast's noteworthy accomplishment or remembrance of a good friend or loved one.

Your donation in memory of \_\_\_\_\_ will go to work for the wild turkey, and a special, embossed card will be sent to the \_\_\_\_\_ family, informing them of your thoughtfulness. Donations to the Legacy Program are also listed in each issue of Turkey Country magazine.

Donations may be made in any amount and at any time. Please send the following information with your donation:
