

2007 NWTF Sanctioned Calling Contest

Dear Calling Contest Organizer:

Congratulations on your decision to have your wild turkey calling contest sanctioned by the National Wild Turkey Federation. The NWTF is interested in ensuring that calling contests are managed efficiently by providing a uniform standard to follow. We must keep our calling contests both entertaining and educational. The changes for 2007 will be highlighted in bold print in these rules.

Please bear in mind that the guidelines and rules presented in this information are the results of years of experience with calling contests and are designed to enable you to have the finest contest possible. We suggest that you follow the guidelines as closely as possible. The rules and regulations, however, must be adhered to strictly if your contest is to be accepted by the NWTF as a sanctioned event. The Contest Report Form (with all signatures of organizers and witnesses verifying that the rules and regulations were followed to the letter), the Winners List, and the Sign Up Sheets, along with the new members that were signed up should be sent immediately after the event. The NWTF reserves the right to change or amend these rules and regulations at any time it is deemed necessary.

Send this information immediately to: NWTF: Calling Contests
PO Box 530
Edgefield, SC 29824-0530 Or Fax to: (803) 637-9960

For a non-chapter, there is an annual \$200 charge to get the event sanctioned. For a NWTF chapter there is a \$50 charge. Payment must accompany application. This is to cover costs for the banner, score pads, rules, mailing labels of wild turkey callers, postage and handling. The fee is nonrefundable. Please contact the NWTF Headquarters at least two months before your contest to allow time for shipping. We are proud to be able to assist you with your event and stand ready to help you with any questions or problems that you might have.

Contest with a minimum of 10 contestants in the senior state, senior open and senior friction divisions will advance their first place winners to the grand national championships. Winners between January 1, 2007 and January 25, 2008, and who are 21 years of age by February 22, 2008, will be qualify to compete in the 2008 Wild Turkey Bourbon/ NWTF Grand National Calling Championships.

Youth divisions do not require a win in a local contest in order to compete at the National contest.

Again, congratulations on your decision and good luck with your wild turkey calling contest.

Sincerely,

Tammy M. Condrey
Special Projects Coordinator

ALL RULES AND REGULATIONS (*MUST BE STRICTLY ADHERED TO*)

GUIDELINES FOR CONDUCTING AN NWTF SANCTIONED WILD TURKEY CALLING CONTEST

STARTING OFF:

The contest organizer must contact that particular state's chapter president to confirm the contest. The state chapter president or regional director in your area must contact the NWTF headquarters for verification of contest and approval of bill to the chapter, if not paying in advance. The NWTF recognizes state championships contest as one that is held by the state chapter or it's delegate.

ADVERTISING:

1. Start advertising your event at least 6 months in advance.
2. Always include the 4 W's in each new release: Who, What, Where and When the event is to be held.

LOCATION:

1. Choose a location where sound quality is available.
Example: Gymnasiums usually have poor sound qualities.
2. Do not hold the contest in the same area as exhibitors or where outside noise will interfere.

REGISTRATION:

1. Pre-registration fees should provide adequate support to your event. We suggest \$10 to \$50. All callers must be current members of the NWTF. Contestants 18 years and older must be current NWTF member (\$30). Contestants 17 years and younger must be current JAKES or Extreme JAKES member (\$5). Members should have a card to prove their membership. A few membership applications have been included. Feel free to make additional copies if necessary. Please add membership fees, when necessary, into the entry fee. Send the completed membership applications, along with payments, and result sheet, to us.
2. **Please Note: If the NWTF receives a contest result form with less than 10 contestants in a senior open, state or friction division, the 1st place winners for that division will not qualify for the Grand National Championships. Also the NWTF may choose not to sanction this calling contest the following year.**
3. The sign up sheet provided should be used to register contestants and receive entry fees. Copies may be made but originals should be returned with the results. Post the calls early the morning of the contest. (Three to five people make a good registration team.)
4. Post all entrants on a scoring chart before the contest begins. This should be a poster paper size chart made out exactly like the example enclosed. (See sample scoring chart) If over 30 callers are entered in a division, a preliminary round should be held with 10-12 competing in the finals.

SOUND SYSTEM REQUIREMENTS

1. The M.C. must maintain quiet in the audience at all times.
2. Use a public address system for the M.C. but not the callers.

NATIONAL WILD TURKEY FEDERATION BANNER

1. The 2007 National Wild Turkey Federation Sanctioned Calling Contest banner must be displayed during the entire contest in a prominent location. Contestants and the audience must be able to view it during the contest. We suggest that it be hung on the stage's back wall (that faces the audience.)
2. Suggestions for additional uses of the banner:
3. Have all callers and judges sign the banner and give it away as part of a winner's package.
4. Keep each banner in your chapter's archives (have all callers and judges sign each banner each year) and display every banner at each contest to show your chapter's contest history.

CALLING CONTEST GUIDELINES

1. Review all rules and answer all questions with callers and judges present.
2. Calls should be chosen from this list: cluck, putt, tree call, plain yelp of the hen, cutting of excited hen, adult hen assembly call, fly down cackle, kee kee run, purr, and caller's best call. Calls can be combined.
3. A minimum of 3 and no more than 5 calls will be asked in each division.
4. Each caller will be asked to give the required call when announced by the M.C. in two brief series.
5. There will be a one-minute time limit for each call required (ex. 3 calls, 3 mins. 4 calls 4 mins.).
6. There will be no practicing of calls within the hearing range of the judges during the contest.
7. Excuse judges prior to drawing for calling positions. Instruct judges that they are to have no contact with the callers.
8. Establish a time to draw for calling position. Make all callers aware of the specified time when the drawing for calling positions is to occur. If a caller does not show up for the roll call, drop him/her from the contest. Always have 1 more number in the hat than the total number of callers entered ex. if there are 12 callers, use 13 numbers.
9. Each contestant draws a number to determine the order of calling. The contestant that draws number 1 immediately draws another number. He/she will call in both positions, only the score derived while calling the second calling position will count for score, the first score is thrown out.
10. Please Note: If a contestant does not draw number one (1), then a second drawing will be held. You must continue to re draw until a number one (1) is drawn.
11. Excuse callers until the contest begins. Instruct callers that they are to have no contact with the judges.
12. The NWTF is currently reviewing options to the outlined procedure. Changes may be forth coming at a later date.

JUDGES

1. A minimum of 5 judges must be used. Judges should possess high personal integrity and should have a good knowledge of wild turkeys and turkey calling.
2. Designate a master of ceremonies, a head judge who is assisted by at least 4 other judges, and at least 3 scorers. Judges should not be facing the audience. Nor should the judges be able to see each caller perform.
3. Rotate judges from year to year. Try to avoid always using the same judges.
4. If possible, select judges that do not represent call manufacturers to avoid possible conflicts.
5. Judges will award a numerical score on the score sheets provided for each call based on their judgment of the caller's ability.
6. A point scoring range of 1 - 50 points for gobbling contest and the owl hooting contest and a point scoring range of 1 - 20 for the wild turkey calling contest is used to further reduce the risk of tie and the need for a call off.

SCORING

1. All scores will be recorded in ink by the judges.
2. After each contestant, a runner will collect all score sheets and deliver them to the scorer's table.
3. Scorers should use silent calculators with tapes.
4. Scorers will tabulate and record all scores on the combined tally sheet. Add each score sheet up and write the total score at the bottom of each sheet. A contestant's final score will be derived by dropping the highest and lowest TOTAL score sheets of each caller and then add the remaining score sheets together, which will be the grand total score for each caller. Example, if a caller receives a total scores of 73, 76, 70, 77, & 74 from the judges, you would drop the 70 & 77 and add remain scores = Grand Total score of 223. Staple all score sheets together to give to the contestants after the competition.
5. Ties will be broken by a call off. Contestant's with equal Grand total scores will be called back on stage and asked to deliver the same calls in the order as in the preceding round. Contestants in a call off will call in the same order as the preceding round. The highest point total in the call off will be declared the winner of that place. Scores obtained in call off are used solely to break ties.
6. Allow the callers five minutes to review scores at the end of the contest. Do not announce winners until the contestants have checked all scores.
7. Additional rules may be added if necessary, however, these basic rules must be followed.

WINNERS & TROPHIES

1. If you elect to give prize money be sure to secure a sponsor(s) to cover all expenses. Trophies, guns, and clothing also serve as excellent prizes.
2. From 3 to 5 places should be awarded to the winners of each contest.
3. The enclosed Contest Report Form, Winners List and Sign up Sheets must be completed and returned.

DIVISIONS

Several divisions are usually held at local contest. In some cases organizers try to have too many divisions at a contest and end up exhausting the judges, callers, and the audience. Three or four divisions are plenty. Remember, keep the contest fun for everyone and be sure to promote the good work done by the NWTF. Some of the typical ones are state, local, open, youth, owl hooting, and gobbling.

PLEASE NOTE: We highly encourage you to follow the age limits set for the Grand National calling contest. However, contest organizer may set their own age limits for each division. (Example if a 18 year old caller wins your Senior Open or State division - they would not qualify for the Grand National Senior division because the age limit is 21 and older, therefore no caller would be qualified to advance to the Grand Nationals in the Senior division.) Contestants under 21 may compete in the Senior division at a local calling contest, but may not compete in both an Intermediate and a Senior division in the same contest. If you have any questions concerning the age limits please do not hesitate to call the NWTF Headquarters for more information.

- **Open Contest - open to anyone who wishes to enter - suggested ages: 21 and older. First place winners in this division who are at least 21 years of age, and who competed in a local contest with at least 10 people in this division, will qualify for the senior division prelims or the friction division at the grand national calling championship the following year.**
- **State Championship- must be a resident of the state for which the contest is being held. The state chapter or their designee should host this contest attain a state champion - suggested ages: 21 and older. First place winners in this division who are at least 21 years of age, and who competed in a local contest with at least 10 people in this division, will qualify for the senior division prelims or the friction division at the grand national calling championship the following year.**

- Resident Contest - must be a resident of the state. A valid driver's license is proof of residency. This division does not qualify to enter the grand nationals.
- **Friction Division –open to anyone who wishes to enter – suggested ages: 21 and older. First place winners in this division who are at least 21 years of age, and who competed in a local contest with at least 10 people in this division, will qualify for the senior division prelims or the friction division at the grand national calling championship the following year.**
- Intermediate Division - suggested ages: 16-20 years old. This division does not have to qualify to enter the grand nationals. Open to anyone in this age group.
- Junior (JAKES) Division - suggested ages: 15 years and under. This division does not have to qualify to enter the grand nationals. Open to anyone in this age group.

Step-by-Step Instructions to Hold a NWTF Sanctioned Calling Contest

Caller's Sign Up Table

1. Have sign up sheets for each division out on a table. Write the division and entry fee at the top of each sign up sheet. As callers sign up and pay their entry fee be sure to check that they are current NWTF members. They may renew their membership at your calling contest if they are expired or do not have proof of current NWTF membership.
2. Have a sign informing the callers of the calls required for each division.
3. Have a sign informing the callers of the time and place to meet to draw numbers and to go over the rules of the contest.

Meeting to Draw Numbers & Review Rules

1. Judges and callers must be present.
2. Contest organizer informs the callers of any specific details of the divisions. Example: Special time limits, who will be letting them know when it is their turn, where to enter the stage, where to exit the stage, etc.
3. Callers may ask the judges any specific questions.
4. Send the judges to the judge's table, the callers should not have any further contact with the judges.
5. Callers draw numbers for order of calling.
6. Send the callers to the pre-calling area/room.

Time Limit

1. There should be a 1-minute time limit per required call, running continuously, based on the number of calls required. EXAMPLE: If you have 5 calls required then you would have a 5-minute time limit per caller to complete all their calls. The caller's time begins when they utter the first note and ends when they signify to the emcee that they are finished. A 5- point penalty may be assessed for going over the time limit.

Final Details

1. Make sure that the judges, scorers, callers, and emcee are ready to begin the contest.
2. Update the emcee on the exact number of contestants in each division.
3. Have a person coordinating the callers, making sure that a caller is "on deck" to immediately follow each caller as they finish.
4. If the scorer's table is not within reaching distance of the judge's table, have a person who will collect the score sheets from the judges and deliver them to the scorers.

Contest Details

1. The emcee should welcome your attendees to the contest and make any special announcements before the contest begins. Emcee will announce the entry of each caller by number. The emcees suggested script when a caller is on the stage is as follows. He calls a caller to the stage: "Caller number X" (when the caller arrives on the stage and sets down his calls and water) The emcee asks if the caller is ready: "Caller number X, are you ready?" (caller nods) "Caller number X, please give us your best rendition of the X call. (caller will do the

specified call twice and the nod to let the emcee know to proceed to the next call) After all the required calls have been performed by the caller, the emcee will let him know it is okay to exit the stage by saying, "Thank you caller number X" Then the emcee summons the next caller to the stage by saying: "Caller number X"

2. The judges will score each caller.
3. The scores will add up each score sheet, drop the lowest and the highest score, then add the middle scores together to calculate the caller's final score. The scorer should write this final score on the caller's score sheets and staple all of the caller's score sheets together.
4. After all callers have performed and before trophies are presented, the scorer checks to see if there is a tie between callers.
5. If there is a tie: each caller tied for any position is called back up on the stage, in the order of their calling number, and asked to do all required calls again. The scorers will tabulate and use this last score as the tiebreaker
6. After the scorer confirms that all ties were broken and verifies that the scores are correct, proceed to the awards ceremony.

Thank you and good luck with your NWTF Sanctioned Calling Contest!
