

Grand National Turkey Call Competition – Division II
12th Annual Grand National Hunting Call Competition
2010 Rules, Announcements and Categories
(Open to all Call Makers)

I. CHARTER

The basis for this competition is to determine each call's stand-alone merit of how well it performs in the hands of a hunter. The judges of this competition will be a qualified panel of experienced turkey hunters who will grade each call on the prescribed criteria. Please note that this is not a contest to determine who the best caller is, rather it is a contest to determine the best call in each specific category.

While it is expected that call makers can run their own calls with great precision, the question with turkey hunters is, how simple or easy the turkey call is to use and how much does it sound like a turkey. In determining and selecting the best hunting turkey call each year, the NWTF strives to ensure fairness and impartiality without prejudice towards commercial or custom call makers or with the design of any call entered in the hunting call competition. Criteria for determining and selecting the best call places equal emphasis on sound quality and tone, ease of use, versatility and its ability in attaining what is commonly referred to as a break over. (Crow and Locater calls will be judged a bit differently.)

II. ANNOUNCEMENTS AND RULES

The purpose of the hunting call competition is to select the most consistent, user friendly and best sounding calls. Entry into the event is open to commercially manufactured or custom, hand made or hand tuned calls. Special awards named in honor of Henry Gibson, Neil Cost, Jeremiah Stevens, D.D. Adams, Tom Turpin, Don Chancey and Charles Jordan will be given. In addition, the 2010 NWTF Grand National Champion Hunting Turkey Call Maker of the Year will be recognized.

All entries will be sold on either the silent or live auctions at a 50/50 split (unless entry fee waiver is elected for 100% donation) at the 2010 NWTF National Convention. The 50/50 split entitles the call maker to 50% of the auction bid and the remaining 50% goes to support the NWTF. Name recognition and competition placement (if applicable) will be displayed with each entry at the auction.
