

NWTF volunteers have made the holidays happier for less fortunate families by donating more than

90,800
frozen turkeys

through the Turkey Hunters Care Program.

Since 2001, NWTF chapters have partnered with schools, churches, food banks and shelters to provide a hot holiday feast to families in need. Last year alone, Federation volunteers distributed more than 19,100 frozen turkeys to folks who needed a little help. But, more importantly, they offered hope and showed their communities **there's more to hunters than camouflage.**

To find out how your chapter can participate in the Turkey Hunters Care Program, contact Kim Saxon at (800) THE-NWTF or ksaxon@nwtf.net.
