New Friends! New Skills! New Hobbies!

Learning new outdoor skills, meeting people with similar interests and spending time with family and friends is what Women in the Outdoors is all about!

Women are discovering that hobbies such as camping, hiking, fishing, kayaking, hunting, shooting and bird watching are fun ways to reconnect with the special people in their lives. At daylong events throughout the United States and Canada, women receive expert instruction and a chance to try a variety of outdoor activities thanks to the NWTf and its partners.
