The National Wild Turkey Federation is the premier conservation organization dedicated to upholding and promoting America’s hunting heritage. Each year, NWTF members and volunteers congregate for fellowship, fun and to raise money to support the NWTF’s Save the Habitat, Save the Hunt initiative at nearly 2,000 Hunting Heritage Banquets across the country.

Once again, we present to our chapters a package with an array of quality, one-of-a-kind products — everything from hand-made turkey calls to fine jewelry — to help them raise funds to benefit the wild turkey and its conservation. So kick back, eat some good food and prepare for a bidding war on these hot-ticket items.
