

THE GOLDEN FLOCK

An opportunity to leave a legacy in honor of the NWTf's mission in celebration of our 50th anniversary

The Golden Flock is a membership club honoring the 50th Anniversary of the National Wild Turkey Federation. This Anniversary is an opportunity to celebrate our accomplishments and identify how we will transform and elevate NWTf as a conservation organization. The Golden Flock is an integrated group of major donors who understand the importance of NWTf's mission and presence across our landscapes. By joining this group, you and other philanthropic conservationists will help ensure the NWTf continues to be strong leaders in conservation.

We will be honoring this club through our 50th Anniversary in 2023.

This Membership includes:

- Exclusive original Henry rifle
- Membership to the Tenth Legion
